Coronavirus deaths reach highest level since June 12

THE number of weekly deaths involving the coronavirus is at its highest since early June, new statistics show.

A total of 978 deaths registered in England and Wales in the week ending October 23 mentioned COVID-19 on the death certificate, according to the Office for National Statistics.

It is the highest number of deaths involving bug since the week ending June 12, and is up from 670 deaths in the week to October 16 – a jump of 46 per cent.

Of the 978 deaths involving COVID-19, 874 had this recorded as the underlying cause of death and of the 1,719 deaths that involved influenza and pneumonia, 302 had the cause coded as its underlying cause, the ONS said.

The number of deaths in hospitals was above the five-year average in the week ending October 23 with 14 more deaths, the first time since the week ending May 15.

The ONS said the South West was the only English region to have fewer overall deaths compared with the five-year average.

Virgin calls for tests re-think

VIRGIN Atlantic boss Shai Weiss says a failure to collaborate over a testing regime for air travel will devastate the industry.

He claims the UK Government is “significantly underestimating” its effectiveness.

Research suggests a “test and release” scheme could catch up to 90 per cent of virus cases among arrivals following just five days of quarantine.

Mr Weiss said: “The aviation industry has been all but grounded since March and with the new travel restrictions, its ability to recover is severely hampered.”

ISLAMIST NUTJOBS IN GUN RAMPAGE

AUSTRIAN police are searching for at least one suspect after a multiple gun attack in the capital, Vienna, that killed four people.

Seventeen other people were wounded – some seriously – after gunmen opened fire at six different locations in the city centre on Monday evening.

One attacker, described by Interior Minister Karl Nehammer as an “Islamist terrorist,” was shot dead by police.

Nehammer later told newsmen that the 20-year-old gunman had been released early from jail last December, eight months after he was convicted of trying to travel to Syria to join ISIS.

The country's Chancellor Sebastian Kurz said yesterday that the atrocity was clearly an attack driven by “hatred of our way of life, our democracy”.

Two of those who died in the shooting were women and two were local men.

One of the women was reportedly a waitress. The second woman died of her wounds in hospital overnight, reports said.

The victims were in a city centre area busy with people relaxing in bars and restaurants near Vienna's central synagogue, but it is not yet clear if that was the target.

MPs call on Chancellor to open up

CHANCELLOR Rishi Sunak is facing demands from MPs to publish an assessment of the economic harm England's new lockdown will cause.

The Treasury Select Committee has called for him to release the analysis before MPs vote on the lockdown measures later today.

The committee's Conservative chairman, Mel Stride, said: “As part of our inquiry into the economic impact of coronavirus, the Treasury Committee has examined the wider modelling of the effects of the pandemic.”

“To aid this inquiry, and also to assist MPs ahead of the vote on new lockdown measures, it would be helpful if the Treasury published the work it has carried out in respect of the various interventions considered by the Government.”

In his letter to the Chancellor, Mr Stride referred to official minutes of September 21's meeting of the SAGE scientific advisory panel referring to work “to analyse the economic impacts and associated harms of all interventions”.

Mayor plans to be an EastEnd

MAYOR Sadiq Khan is to move London's City Hall from the east of the city.

The Crystal building in the Royal Docks in Newham will become the home of the mayor and the Greater London Authority at the end of next year.

More than 1,000 employees of the GLA group were informed yesterday about the decision, which followed a consultation over the summer.

The GLA's Conservative leader Susan Hall said the plan was “flawed”.

A spokesman for the Mayor of London said the move would save more than £60m over five years.

City Hall is currently leased at a cost of more than £11m a year.

DO ANY OF THESE TOSSERS KNOW WHAT IS GOING ON?

Ministers causing lockdown turmoil with mixed messages

CABINET ministers have created confusion about the rules which will apply when England's second national lockdown begins tomorrow, it is claimed.

Communities Secretary Robert Jenrick has suggested that an entire household could meet up with a friend, before then contradicting himself.

And Chancellor of the Duchy of Lancaster Michael Gove apologised after incorrectly indicating that people could play a round of golf or game of tennis with a friend.

Boris Johnson's Government is also under pressure from Nicola Sturgeon to clarify whether the furlough scheme could be extended further if Scotland decides to follow England into a lockdown.

Criticised

The Prime Minister has been criticised over his handling of the second lockdown, announced at a hastily arranged press conference on Saturday after some of the details had been leaked, and it seemed yesterday that not all ministers are fully on top of the new arrangements.

The official guidance states that people in England can exercise or visit outdoor public places either with their household or one person from another household – although children under school-age with a parent will not count towards the limit on two people meeting outside.

On *BBC Breakfast*, Mr Jenrick said households could go for a walk with one other person, and was questioned on this by presenter Louise Minchin who forced him into a contradiction.

Mr Gove admitted his mistake after wrongly suggesting that people would be able to play singles tennis or golf in pairs in the impending lockdown.

During an online Q&A with his constituents on Monday, the MP for Surrey Heath suggested the sports would be in the clear.

But, yesterday he tweeted: “My apologies, I got this wrong.”

Outdoor leisure facilities, including tennis courts and golf courses, will be closed from Thursday.

England's lockdown will end on December 2, with the Government hoping to reintroduce a localised tiered system of restrictions.

Mr Johnson hopes a mass testing campaign, using equipment which can deliver a result in a matter of minutes, could be a route out of the coronavirus crisis.

A pilot scheme in Liverpool will see half a million people offered regular testing from Friday, with over 2,000 military personnel helping out with the logistics.

Powerful

The Prime Minister said that, depending on the success of the pilot, the aim is to distribute millions of the tests between now and Christmas to “empower local communities to use them to drive down transmission in their areas”.

The Department of Health said further detail would be released by Liverpool City Council this week on how workers and residents will be able to access the tests.

Mr Johnson said: “It is early days, but this kind of mass testing has the potential to be a powerful new weapon in our fight against COVID-19.”

HOLIDAYMAKERS OWED £1bn

CUSTOMERS are waiting for more than £1bn in refunds due to package holidays being cancelled because of coronavirus.

Around 9.4million people have had a package holiday cancelled since the UK's first lockdown in March and, of those who requested a refund, 21 per cent were still waiting for their money back at the beginning of October.

In a survey, more than four out of 10 people told

Which? they had waited longer than a month for their refund.

The average cost of a cancelled holiday was £1,784, the research found.

Holiday companies are required to refund money within 14 days after a trip is cancelled but the number of cancellations due to the coronavirus pandemic has left many of them overwhelmed.

The situation is set to get worse after new rules

are introduced across England tomorrow, banning most international travel.

Rory Boland, editor of *Which? Travel*, said: “Without meaningful intervention from the Government and the regulators in this space, many people will struggle to get their money back.”

“Firm action is needed against any operators that are continuing to drag their feet on refunds.”

Telly Anne apologises after pinups spotted behind football legend Neil

THESE are the bare boobs that blacked out Channel Five!

Viewers of the C5's +1 channel were last week baffled when the screen blacked out during an interview with football hardman Neil "Razor" Ruddock.

The 52-year-old was talking to Anne Diamond – who hosted *The Jeremy Vine Show* on Friday – about his new autobiography *The World According to Razor – My Closest Shaves*.

When the interview went out live, horrified producers realised there were naked pictures of Razor's former glamour model wife, Leah, on the wall behind him.

After an ad break, red-faced Anne was forced to apologise to any viewers upset by the unscheduled glimpse of bare boobs and bum.

And the segment was censored when it went out an hour later on the catch-up channel.

By GRACE HOOPER
news@sundaysport.co.uk

Bare Leah was first spotted by Twitter user Mark, who said: "Oooo @RealRazor that's an interesting piece on your wall, and it's only 10.45am."

Neil replied: "Brilliant @MrsRazorRuddock in her birthday suit!"

Another Twitter user posted: "I wondered why C5 had gone blank on +1."

Meanwhile, Freejack Fan posted: "Blimey, what a fuss about nothing!"

A WOMAN called COPS to report that a man had deliberately blocked her bog – leaving her unable to go for a shit!

The 54-year-old woman contacted police and claimed that because her crapper was completely bunged-up and she was unable to dump, she was now "constipated and bloated".

A police spokesman in Whidbey Island, Washington state, said that the woman had been "given appropriate guidance", presumably about suppositories and plumbers.

Reality star: I've had sex with a ghost

LAUREN Simon shocked her *Real Housewives of Cheshire* co-star Nicole Sealey by admitting she'd had sex with a GHOST – but it ended up dumping her.

The duo went to see a psychic medium, with Lauren (above) hoping to get a message from her late father.

But while a message from beyond the grave wasn't meant to be, the redhead revealed: "I have to admit something really weird. I've had sex with a ghost."

"I actually properly had sex. I knew it wasn't a dirty dream because it was too real, something was touching me."

"I've had that before when I feel someone holding me down."

"This particular ghost that came and I had sex with him, it happened twice."

"But he never came back. So does that mean I wasn't good in bed?"

Cracking Cathy, 34H-23-32, was first to whip out her bouncing bombs, followed by Michelle, who unveiled her own howitzers.

Cathy said: "This was one of my best ever pub visits," while Michelle added, "We were treated like princesses. The guys were both officers and gentlemen."

'Stupid' cop sent officer vid of cow licking naked man

A COP who sent a video of cows licking a naked man to a colleague has been found guilty of misconduct.

PC Ian Edwards received the five-second GIF on his phone and sent it on to the male colleague and a relative because he thought it was "funny", a misconduct panel heard.

The short video clip was accompanied by the caption "Seen ya sun bathing in a field today".

However, the colleague reported the matter to senior officers and PC Edwards was quizzed by the force's professional standards team.

He told his misconduct hearing at Leicestershire Police HQ in Enderby: "I never wanted to harm, upset or offend anyone."

"It was stupid and idiotic, one of the worst moments of my life."

WINNER & LOSER: Busty babe Amber and distraught Depp

JOHNNY Depp is today counting the cost of his failed "wife beater" libel case against the Sun newspaper – and probably regretting the day he ever got his hands on ex-wife Amber Heard's sensational boobs.

After an explosive trial that included allegations of everything from adultery to shitting in the pair's marital bed, London High Court Judge Andrew Nicol finally delivered his decision following three months of deliberating.

"The claimant has not succeeded in his action for libel," the judge wrote, saying the Sun newspaper had shown

that its 2018 story under a headline calling Depp a "wife-beater" was "substantially true".

Judge Nicol said he "reached these conclusions having examined in detail the 14 incidents" that Heard testified about, saying she had been repeatedly attacked by her 57-year-old ex-husband.

Perverse

He concluded that all but two had been proven true – including "sustained and multiple assaults" while the multimillionaire star was filming one of the *Pirates of the Caribbean* movies in Oz in 2015.

The trial has cost Depp a fortune in legal fees and the result could affect his multi-million dollar defamation case against Heard set to be heard in the United States.

Depp's legal team called the decision "as perverse as it is bewildering".

"The judgment is so flawed that it would be ridiculous for Mr Depp

not to appeal this decision," Jenny Afia of Schillings, the law firm which represented Depp in the case, said in a statement.

Depp had sued The Sun and its executive editor, Dan Wootton, over its April 2018 headline labeling him a "wife-beater" based on Heard's allegations.

The Sun's star witness was Heard, 34 – who called Depp a boozing, drugged-up "monster", saying he nearly killed her during their toxic five-year relationship.

The London ruling may finally rid Heard of her Amber TURD nickname – which she gained during the case thanks to Depp's claims she shat in the marital bed.

Amber – who has appeared topless and nude in films including *London Fields* and *Informer* – denied being the mystery pooper.

'Elite' hooker sues Nevada governor over shut brothels

A HOOKER from one of Nevada's famous legal brothels is suing governor Steve Sisolak over continued shutdown of the state's knocking shops.

Alice Little, who bills herself as "the highest-earning courtesan at the Moonlite Bunny Ranch brothel" in Lyon County, alleges that sex workers have been unfairly singled out amid the pandemic.

"If it's safe for a customer to get a massage at a massage parlour, then it should be safe for a customer to visit a legal sex worker if COVID-19 precautions are taken," Little was quoted in a news release that announced the lawsuit.

"The governor's decision to keep brothels closed is arbitrary, unconstitutional and in direct violation of my right to earn a living."

IT'S a fact of life that if you come up with a rule, someone will ALWAYS find a way around it.

Take Instagram, for example.

Owned by the famously prudish social media giant, Facebook, Instagram slapped a no nudity rule on its estimated BILLION users.

As a good number of Insta users are pretty young ladies who like to show off, this caused a bit of a headache.

Glorious

But, led by the likes of Insta sensations Chanel Uzi and the glorious Julia Rose, Insta ladies have found a way round the no-rude-bits ruling.

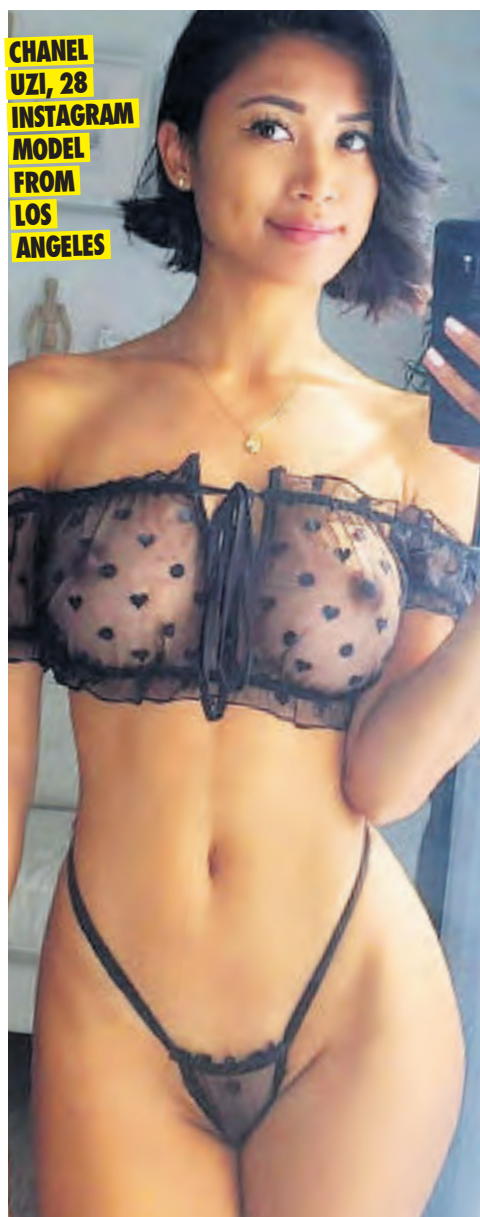

They simply wear sheer, see-through tops for their glamorous photoshoots and sexy selfies!

Their boobs are clearly not naked – as they are wearing things over them, albeit very flimsy items of clothing.

But as those tops let us see straight through, we get to admire their busters in all their magnificent detail.

Today we salute the beauties – and the sheer joy of the see-through top!

Nonce gets hammered by grandson

AN angry man has been arrested after twatting his nonce grandad to death with a hammer.

Bryan Luitze, 25, has been charged with murder for the gruesome bludgeoning of 70-year-old pervert Charles Luitze, who was found lifeless with a hammer protruding from his face.

Prior to the slaying, Bryan Luitze told a relative he was angry over his grandfather's 1991 child sex assault conviction, resulting in him having to register as a sex offender.

"How can you forgive him?" he asked the male relative, according to cops, adding that he was considering "taking his grandfather out" since he was unable to forgive "someone like that" for their past.

The alleged killer also told a pal in August "how he hated Charles" and talked about the grandfather's conviction, which happened before he was born.

A police source said: "OK, he's angry, but a hammer in the face?!"

Crossbow kills Sausage King

A RUSSIAN oligarch nicknamed the Sausage King was killed by a CROSSBOW when two masked men attacked him and a woman in a sauna at his countryside estate outside Moscow.

Vladimir Marugov was found dead in the sauna after his partner fled through a window of the outdoor hut and notified police about the attack.

The assailants tied up Marugov and the woman and demanded money before killing him with the crossbow.

Russia's Investigative Committee - the country's equivalent of the FBI - did not name the victim, but he was identified by media as Marugov, the owner of the Ozyorsky and Meat Empire sausage factories.

CORRIE SENSATION... GRANS GO MAD FOR MAUREEN'S BRAZILIAN!

STRAIGHT TO THE
POINT: Maureen
as Evelyn on soap

CORRIE fans were left spitting out their cups of tea after Maureen Lipman's character Evelyn admitted having a Brazilian on the soap!

And it's since led to a surge in interest in pubic styling among lady OAPs!

In one of the lighter moments of the ITV show last week – which also saw a policeman being shot in an armed raid – Evelyn was taking part in a Zoom quiz with Rovers Return landlady Jenny.

Jenny asked: "Tupac Shakur was famously shot in..."

Scrap

But mindful of the shooting that had taken place in the street, she decided to skip the question saying: "Scrap that, we'll skip to another question."

Maureen Lipman's character Evelyn, responded: "Flip! I knew that one – it's Las Vegas, 1996. I remember

By **SUZIE SHELTON**

that because I heard it on the radio when I was getting a Brazilian."

Her pal Arthur then said: "I beg your pardon," before Evelyn replies, "you know... hair straightening."

"That's the last time I read a magazine at the hairdressers. Not now. I keep a gimlet eye on those people."

As well as being a form of pubic topiary a "Brazilian" is also a hair-straightening technique.

The twitter world went crazy after the broadcast with some people even speculating on what Maureen, 74, does with her downstairs hair.

And net analysts noted a 46% surge in online searches for Brazilian pubic styling among the over 65s after the episode was broadcast.

An ITV source said: "Who'd have thought a throwaway joke would see folk discussing Maureen Lipman's pubes."

'PRANKSTER'S' SEVERED HEAD WAS REAL

Police were alerted about the man, who allegedly dumped the head in a

He had earlier showed the decapitated head to some people, including children, it was reported.

Neither the suspect nor the dead man, who was about 50, has been identified.

He plans to tear the property down and replace it with a 14,000-sq-ft "Art Moderne home".

RULES: Drakeford

By **GARETH JONES**
news@sundaysport.co.uk

POOR old Wales...

Forced into a so-called "firebreak" lockdown by its socialist rulers, the beautiful Principality has got into a proper tangle over "non-essential goods".

Supermarkets have had to tape off aisles selling products not deemed "vital" to keeping body and soul together.

But as the implementation of that policy was left to half-witted supermarket staff, it led to women's monthly wear being cordoned off as a "luxury item".

Even though England is about to endure a month-long lockdown, at least our shops won't have to rope off areas to stop us getting what we want to splash out on.

So, in solidarity with our Welsh pals, we're printing babes posing with all those things that Mr Drakeford has banned from sale.

Yes, it's random – but not half as random as the policies coming out of Cardiff!

MANIPULATOR, COWARD & A LIAR

VICIOUSLY SLAIN: Tom Jones was stabbed and set on fire by Maidment at his home (pictured) after it was claimed Jones had assaulted Natalie

FREED...TO KILL AGAIN

IT wasn't so much a love triangle, more of a love square.

While Natalie Strickland was still sleeping with her husband, Paul, she was also having secret affairs with both Alan Maidment and Tom Jones. With so many actors in this drama, it was only a matter of time before things turned ugly.

Especially as one of Natalie's lovers, Alan Maidment, was already a convicted murderer.

In July 1999 Maidment had killed a neighbour, 72-year-old Paul Carlson, at

his Manchester flat, beating him to death with a hammer.

Then aged just 22, Maidment received a life sentence with a 12-year tariff, which saw him initially released in June 2013.

Dispute

He breached his licence twice – through drinking and a later knife dispute with a neighbour – before being released from custody for a final time in 2016 to live with a rehab charity.

Nine months later, firefighters were called to Richmond Court in the Clifton area of Manchester.

There, they found the charred, smouldering body of Tom Jones.

Maidment had struck again.

Jones, a 47-year-old father of one, had been stabbed 32 times before his body was set on fire on March 22, 2017.

Maidment initially confessed all to police, saying it was revenge after hearing Mr Jones had assaulted Natalie.

But he later withdrew his confession and brought the case to trial.

CONFUSED: Natalie was sleeping with three men, including Maidment (right)

Luckily, a jury saw through his lies and convicted him of murder.

The court heard how, after setting fire to Jones, Maidment went to a petrol station to collect more fuel in an empty milkshake bottle he'd found in a bin.

He fled when he arrived back at the scene to find that firefighters were already there.

Still at large nine days later, Maidment then committed a number of knife-point robberies on passengers at the South Chadderton Metrolink stop in Oldham on March 31 while high on drink and drugs.

He approached three women and demanded money, threatening them with a knife.

At around 6am the following morning, Maidment, knife in hand, arrived at the McDonald's at Elk Mill retail park in Royton, Oldham, and asked members of staff to call the police.

Before being questioned on April 1, Maidment was assessed by a nurse to see whether he was fit to be interviewed. The

nurse asked him what his plans were if he was going to be released. Maidment said he would "hurt people".

Asked why, he said it was because he "enjoyed the drama".

Sentencing him to a whole life term in October 2017, Judge David Stockdale QC said: "The striking similarities between the brutal killings of Paul Carlson and Thomas Jones are all too obvious. 'This was a cold-blooded, premeditated act of execution."

Dangerous

"You cared nothing for the life of Thomas Jones. 'More than that, as it seems to me, you cared nothing for the lives of the residents of Richmond Court."

"You are a highly dangerous man, who poses a real threat to the life of anyone who crosses you or who is perceived to have insulted you."

"And you have shown no remorse whatsoever." Judge Stockdale added that Jones "did not deserve to die" because

cara BRETT

GORGEOUS Cara Brett admits she's a real thrill-seeker - because she loves SHAGGING in public!

The busty pin-up, from north London, confessed to bonking in a changing room during a shopping trip.

And the 26-year-old said she's now looking forward to some even riskier romps in future!

The 32FF stunna said: "Sex in a public place is definitely top of my fantasy list."

"I know a lot of people share that opinion but it isn't hard to see why."

"I've done it before - and it was absolutely insane!"

"I shagged a guy in a changing room once. I was trying on some clothes in a shop - back when you were allowed to do that - and he was waiting for me just outside the door."

"Then all of a sudden he jumped in with me and we had a quickie!"

"It was SO horny... I can't wait to do it again."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

What next?

Blind fighter pilots?

DESPITE what those people with blue hair and two nose rings bleat on social media – I'm cowardly whispering now – not everyone is actually "equal".

Take, for instance, the earnest youngster who last week responded to an ad for a vacancy to become a court reporter at a press agency in Manchester run by a journalist colleague of mine.

The ad advised applicants they'd need to have achieved a certified 100 words-per-minute shorthand and that "nothing less will do".

For those that don't know, for some ancient reason or other, scribblers like me are not allowed to record anything in a court room, either on video or audio.

But notepads and pens and pencils are allowed.

There are probably very good reasons for this, but I have no idea what they are. It was all a very long time ago for me.

However, all I can confirm is that you just can't, and that's that.

So reporters – especially court reporters – need to be able to write everything down.

And bloody accurately, too – it being the law and all.

And the only way you can write everything down **THAT** quickly is by using shorthand, which is probably one of the only true skills that hacks genuinely possess.

Well, that and being a c**t.

Disability

My colleague got this response: "Regarding your requirement in your job ad that 'a minimum 100wpm shorthand is essential for our reporters to ensure accuracy and maintain our reputation for producing detailed, informative and compliant court copy, nothing less will do' – (here it comes!) – surely this discriminates on grounds of disability?"

Well, yes, young man or woman. It does indeed discriminate – not on disability, but actual ability.

If you can't do shorthand – whether through disability or lack of ability, which are two different things – then you're simply not able to do the job in a courtroom.

You might think this is unfair, so let's take this away from journalism and into something less murky, like, say, the military.

"I'd like to be a fighter pilot, sir," says the young recruit.

"Just one problem," barks back the man with a huge moustache, a scar across his face from the last time a machete was embedded in it, and wearing ribbons sticking five feet out from the left of his broad chest.

"You are balancing your left side on a retractable white stick while holding the harness of a doe-eyed Labrador in its own hi-vis jacket in the other. And you have a collection tin, too."

All but the cruellest in society want the best for everyone, but we also have to keep at least some common sense.

Call me old fashioned, but I don't want blind pilots flying over the cities of our planet. Especially if they've got bombs on board. Or passengers.

And I don't want a teetotaler running my local – if it ever opens up again – anymore than I want a vegan butcher.

Or reading a report about a court case where the reporter has no idea what was said or who said it, just because they couldn't do shorthand.

After all, what's a potential libel fine and contempt of court conviction between friends?

The harsh truth is that there are, indeed, some jobs that some people simply cannot, or should not, do.

It's why I'm still not George Clooney, Mr Universe, the President of the United States, or Superman.

Yet.

Nut torched churches to boost image

A MAN who torched three churches to promote himself as a heavy metal musician has been sentenced to 25 years in prison for the arson.

Holden Matthews, 23, will also have to pay the churches almost £2million in fines as part of his punishment.

Matthews pleaded guilty in February to torching the three churches in Opelousas, Louisiana, to promote his image.

In a statement prosecutors said: "Matthews admitted to setting the fires because of the religious character of these buildings, in an effort to raise his profile as a 'Black Metal' musician, copying similar crimes committed in Norway in the 1990s."

Demented firebug Matthews (above) razed the churches over a 10-day span in the spring of 2019. The buildings were empty and no one was injured by the arson.

The prosecutors added: "The churches survived for nearly 150 years but did not this defendant's warped act of hatred."

Fact me!

IN South Korea there is an emergency number (112) to report spies.

Stepdad shoots teen believing she's a burglar

A TEENAGER was seriously injured when her stepdad mistook her for a burglar and shot her.

The shooting took place in the early hours when the 15-year-old girl was dropped off by a friend at her home.

Police spokesperson Joni Money said: "Her parents heard the garage door open and thought someone was breaking into the home," adding the family was not expecting the teen to return that night.

The stepfather grabbed his gun and went to investigate the noise and when he encountered the 'intruder', he opened fire, striking her in the abdomen.

She was rushed to a nearby hospital in Clayton, Alabama, where she is being treated for serious injuries.

ART MISS FINGERED MINGE IN VIDEO CALL WITH TEEN

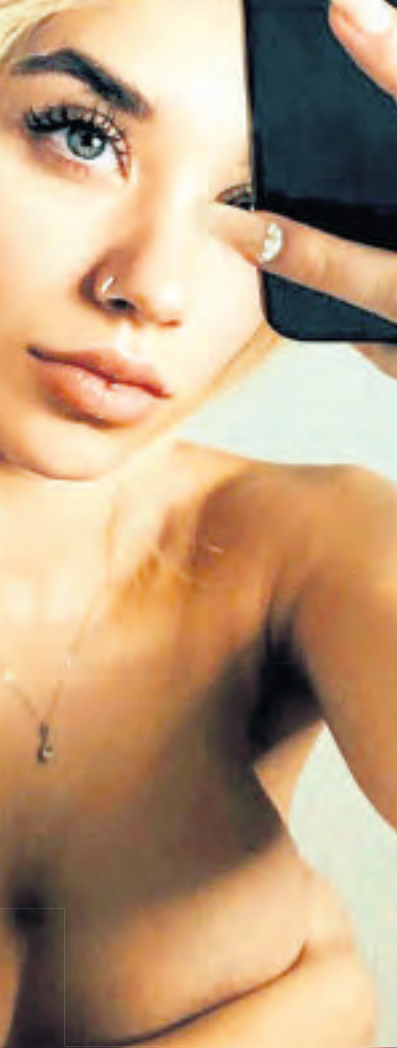

MOVING: Nicola on *Strictly* with pro dancer Katya Jones

Strictly gorgeous!

Nicola's girlfriend bares all in Insta photo

BAIG NEWS: Ella shows form that attracted lover Nicola (far left)

SEXY Ella Baig looks sensational in a series of revealing snaps posted to Instagram.

The 22-year-old make-up artist and girlfriend of *Strictly* star and ex-champion boxer Nicola Adams posed naked and in skimpy kit for four artful photos homing in on different parts of her busty body.

One fan drooled: "I'd love to see them, you know, on the job."

FACING PRISON: Micca Watts-Gordon

A RANDY art teacher gave a teenage pupil an iPad – so the lad could watch her online FINGERING sessions!

Micca Watts-Gordon, 36, has since been charged with unlawful transaction with a minor, use of a minor in a sexual performance, distributing obscene content to a minor and six counts of sexual abuse.

Court records show the victim, a 13-year-old male, was one of her students at the W.E.B. DuBois Academy in Louisville, Kentucky.

Assistant Attorney Andrew Reinhardt said Watts-Gordon sent "nude and sexual photos of herself" to the boy and "induced him to send her nude and sexual photos of himself," providing him with an iPad to help "facilitate this exchange".

Mr Reinhardt added: "Once this inappropriate conduct was exposed, she destroyed evidence by erasing her social media accounts and her mobile phone."

Evidence

"She also instructed the victim and other students to erase their social media accounts as well, so that there wouldn't be evidence of her criminal behaviour."

Married Watts-Gordon is also said to have masturbated in the presence of or while

communicating with the minor, who "saw or heard her masturbate" twice between August and November last year.

She kept in touch with the victim on social media and through a third party even after being instructed to cease contact.

It is said Watts-Gordon "sexually abused the victim on multiple occasions at after-school events".

Allegations emerged last year and she was moved to a non-teaching role at the school.

Education bosses then handed the results of their inquiry to the police.

Her attorney, Steve Romines, said that Watts-Gordon will plead not guilty to the charges.

The most severe charges against her are punishable by up to 20 years in prison.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

DURING a heavy night on the ale I managed to pull what I thought, in my drunken haze, was a gorgeous babe.

She took me back to her place and soon got to work on my cock. Starting at the base, she licked and sucked me expertly and tickled the tip of my knob with her tongue.

By then we had progressed to the bedroom. She put her lips round my dick again and I exploded in her mouth.

Later I shagged her from behind before we both collapsed in an exhausted heap.

When I woke in the morning I had a raging hangover and dashed to the loo to throw up. When I returned to the bedroom I saw the woman I had shagged. She was about 50, with droopy tits, and her false teeth were in a glass.

I ran for it and it's put me right off sex. What can I do to regain my enthusiasm?

NF, Lancaster

Kelly says...

AVOID pulling another moose by staying sober.

Dear Kelly,

MY missus used to dress up for me and play the slave to my strict master and obey my orders.

Obviously, I made the most of it and would have her sucking my cock as often as I wanted.

But that's all gone out of the window. She works as an accountant but I was made redundant a few months ago.

Now she lays down the law. She made a list of my household duties and a list of sexual services that she demands that I perform to order.

As soon as she walks through the door of an evening, I'm supposed to have a meal on the table. Then I have to fondle her vagina with my fingers before going to work on her clit with my tongue to bring her to orgasm.

Then, after a nap, she demands oral sex all over again and on top of that a good shafting to boot.

I'm a wreck and in no condition to get a job. What can I do?

DH, east London

Kelly says...

TELL her there will be no more nookie - and see how long she can last without a good seeing-to.

Cave sex was dark and dirty

Dear Kelly,

I RECENTLY went rambling for the first time. I thought it meant gently walking about on the hills, but it turned out to be a lot more energetic than that.

I hung back a bit until a hunky-looking fella asked me to climb the side of a cave to get to the top. But he led me in it and began to take off my clothes.

He sank his mouth down on my erect nipples and I grabbed his cock and took it in my mouth.

I made his cock wet and then got on all fours and waited for him to push it in.

He filled me up nicely, gripping on my waist and f***ing me until I felt his cock go extra hard.

I wanked him off over my tits and then we both got dressed and rejoined the group.

Now I go rambling every weekend, but the fella's left the group. Should I try to get another fella to do me in the bush?

TB, Lake District

Kelly says...

IF it's as much fun as you say, go for it!!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY M cGREGOR has been reading through your letters. And here's her advice for you...

Rugby players gave me a good rucking!

Dear Kelly,

I'M a divorcee and I've just returned from a holiday in Majorca – where I met another lady of a similar age.

She'd been a few times before and I was amazed at how many times she'd made it with younger men.

On our second night we got pretty tipsy in a bar and ended up in the apartment of a couple of rugby players who were on a club jaunt.

My new friend quickly got to grips with the dark-haired one, while I was massaged by his hunky blond mate.

I'd forgotten just how wonderful it is to be touched like that by a man.

As he caressed me, my stud assured me that I had a great body.

He tweaked my nipples and they responded by hardening.

I let out a little gasp when he ran his tongue over each of them in turn.

His hand then wandered down to my soaking

panties and he slid his fingers gently inside me.

I climaxed almost immediately and as I was still recovering he slipped his massive erection into my pulsating pussy.

I was in a dreamworld as I reached heights of ecstasy I had never enjoyed with my husband.

My blond fella was pumping into me with such force that I screamed out.

Thrusting

I'd had my eyes closed throughout, but when I opened them I saw my new-found pal right up close as she was being taken from behind by her fella.

Swept along by the mood of the moment, I reached out and grabbed her breasts as they swung beneath her.

As I rubbed her titties, she lowered herself towards me and I snogged her, vigorously thrusting my tongue inside

her mouth to meet hers. I'd never enjoyed such dirty sex.

After our fellas had spent their seeds inside us they took a breather while my pal and I got into the 69 position so that we could lick each other out.

After this we swapped partners and her fella shagged me and the blond hunk did her.

My pussy took a real pounding but I loved every minute of it and had another mind-blowing orgasm.

Once it was over the lads left, leaving me in the arms of my new mate.

But now I'm home I'm worried I might have developed lesbian tendencies.

What do you think?

TR, Birmingham

Kelly says...

DON'T worry, you've just been re-awakened to the real joys of sex.

Dear Kelly,

Lousy brother came to play while I was away

Dear Kelly,

I RECENTLY got back from a six-month holiday touring the world and I'd really been looking forward to seeing my hot blonde girlfriend again.

But when we got together it was clear that something wasn't as it used to be.

Then I got a surprise when my younger brother called to her place for a brew. He seemed very sure of himself around her house.

Then I caught them at it when I got back from the shops one day. I was walking past the kitchen window to the back door as I spotted them.

She was bent over the ironing board as he shafted her from behind and I could hardly believe my eyes as I watched him sliding in and out of her snatch.

Ecstasy

Then she turned round before sinking to her knees and taking his cock in her mouth.

She sucked on him greedily, taking his full length deep into her throat and then she got down on all fours so he could give it to her doggy-style.

She yelled in ecstasy as she climaxed and my brother shot his hot spunk over her arse-cheeks.

I gave them a few minutes to get dressed before walking in, but I didn't reveal that I had seen them.

They pretended that nothing had gone on and I felt insulted that two people so close to me could be so f**king mean to me.

What can I do to try to resolve this?

MY, Sussex

#MY SEX FANTASY

WITH ZUZANNA DRABINOVA, 30 36DD-25-35 FROM EDGEWARE, N LONDON

'Making my own sex tape turns me into a filthy minx!'

MY biggest turn on is making a very naughty sex tape!
Something happens to me when the record button has been pressed... I think I'm a porn star!
It definitely brings out the exhibitionist in me. It actually takes me mentally to a porn film set... where anything goes!
I become a filthy minx, I'm like 'do anything you want to me!'
I made a sex tape with an ex and he took on a dominatrix role while I was a submissive sex slave. That was super hot.

He had me on my hands and knees and he was leading me using a dog collar and bossing me about over how best to suck his cock!
The key is to be as filthy as you like, watch it back - then delete, so it never ends up in the wrong hands!

#HOT'N'HORNY

KINKY Katerina Hartlova wants a threesome with a guy and a girl so she can enjoy cock AND minge!

The 36F cracker, originally from the Czech Republic, said: "I have a thing for having a threesome with my boyfriend – specifically sharing him with another woman."

"I fantasise about it all the time and watch female-female-male porn."

"I'm bisexual and there are so many hot positions you can do."

"As you can see from my pics, I love to get my massive boobies all soaped up and ready for action."

"Firstly, we'd start off with a double blowjob – it's most blokes' top fantasy, having two women at his feet, one sucking his cock and the other licking his balls."

"Then, I'd love to sit on his face as he lies flat and the other girl is riding his cock, with her boobs bouncing all over."

"What a view that would be!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

LOLA

ELECTRICIAN Jake Neilson reckons sparks would definitely fly if he got a call out to juicy Lola's place.

Jake, 34, who has been a sparkie for 10 years, said his dream call out would be to 30-year-old Jane's house in Aston, Birmingham.

He said: "I've worked in some houses owned by absolute MILFs, but nothing would beat doing a job for Lola."

"I've dreamed about getting my hands on her 36H knockers for years and, if she called me out, I'd be getting to grips with a lot more than her dodgy plugs."

JENNY LAIRD

RETIRED civil servant John Jeffries spends his days flicking through the *Sport* hoping to catch a glimpse of his favourite glamour girl, Jenny Laird.

The 72-year-old, from Grimsby, loves to ogle the bare-boobed babes on the pages of the *Sport* – but it's 27-year-old Jenny, from Tamworth, Staffs, who catches his eye.

John said: "I've been retired 10 years now and my wife passed away six years ago, so I started to buy the *Sport* to keep my juices flowing."

"I spotted Jenny's 32DD boobs a while back and I've not seen her for a while. 'Could you pop in a naughty photo of her, just for me?'"

Here you go John – enjoy retirement!

LUCY SUMMERS

FIREMAN Shane Lord doesn't get overheated by much, but the sight of Lucy Summers gets his hose all hot and bothered.

Shane, 48, from Hull, said the 28-year-old blonde, from Frome in Somerset, can slide down his pole any time.

He said: "She's out of this world and those 34F boobs are simply mind-blowing."

"My pole gets very hard at the sight of her and she's welcome to slide down it – it would be squirting everywhere within minutes!"

United way off track with Ole at the wheel

OLE Gunnar Solskjær has won a massive 55 fewer points than Liverpool since taking over as manager in March 2019.

Manchester United sit just seventh in a Premier League table starting from his first match in charge.

Most teams have played 52 games since then with Solskjær's men winning 22, drawing 15 and losing 15 for 81 points.

At the same time, Liverpool have 44 wins and 136 points. City have 116 points and even Chelsea, Leicester, Wolves and Spurs sit ahead of United under the Norwegian.

The situation looks grim for Solskjær with United sat 15th in the real Premier League table on just seven points from six games.

There is already a yawning gap to the top four and they are on their worst home run since 1972.

Solskjær has been backed into 4/1 second favourite to be the next boss sacked.

Former Spurs chief Mauricio Pochettino is just 8/13 to be the next man in charge at Old Trafford.

And the Argie admits he's in a hurry to get back into management as soon as possible.

United may be forced to act quicker than they wanted to head off Real Madrid.

Zinedine Zidane is under increasing pressure after a poor start to the season at the Bernabeu.

They are struggling in the Champions League which is a major no-no for the Spaniards. Poch played

WAITING: Pochettino

most of his club football in Spain and has said managing Real would be a dream come true.

He has just turned down the change to manage Zenit in Russia as he waits for a higher profile job.

It doesn't help Ole when some of his own players admit he was second-best when it comes to tactics against Arsenal.

Paul Pogba said: "We need to do more with the ball creating chances."

"I think maybe we didn't expect to be man for man, me and Bruno Fernandes, but after this we can adapt, we have to find a solution but we didn't."

"That's why we weren't dangerous with the ball."

Details made the win for Arsenal, they were in shape, they were waiting for us to make the mistake.

"We have to do better, the team, myself, it starts with me."

KICK UP THE ARSE: Trent Alexander Arnold has learned a lesson after Villa

VILLA KILLER HELPED REDS

Trent: 7-2 was the humbling we needed

GETTING walloped 7-2 by Aston Villa gave Liverpool a kick up the backside they needed.

By PAUL THOMAS

something wasn't right if you concede seven goals in one game.

"The main thing was to learn from it. The international break helped us clear our minds."

"The derby was a decent result and we kicked on from there."

"It humbled us as a team. It let us know we don't just win because we are Liverpool."

"Our mentality is what has helped us the last few years and helped us break through walls and kick down doors."

"Since that game we've been able to get back to that."

Alexander-Arnold is still only 22 but, as an established international, he sees himself as one of the senior pros

at Anfield now. Without the injured Virgil Van Dijk he knows he has to become one of leaders in defence.

He added: "I've made enough appearances now and have enough experience to class myself as not a young player anymore and someone who needs to step up at these moments, especially when missing someone like Virgil Van Dijk."

With Manchester City looming on Sunday, there's no getting away from the problems Liverpool are having at the back.

The Reds have conceded 15 goals in just seven league games and that's something that has to change.

But Alexander-Arnold is playing down worries about a lack of clean sheets.

He added: "It's not a concern, really. Three points are

the most important. Over time we might think we need clean sheets but now it's just about putting ourselves in a position to win."

Both TAA and boss Jurgen Klopp have been paying tribute to the impact new signing Diogo Jota has made since arriving from Wolves.

He has scored in his past three outings and is tipped to nudge Roberto Firmino out of the team on a regular basis soon.

The Reds boss said: "He is at the best age, 23, already experienced. He's a really good boy and a really good signing."

"We never hold players back at the beginning, they just need time to adapt but I knew it wouldn't take long for him to adapt because of how Wolves play — intense like us."

Toffees bubble popped by United

HE'S BACK:
Digne will
have to be
at his best

EVERTON'S bubble has certainly burst after a good, but slightly lucky, start to the season although their fortune has tuned in recent games.

Lucas Digne will be back for the visit of Manchester United to Goodison on Saturday but I felt the United v Arsenal game was a different class to the turgid affair of Newcastle v Everton earlier in the day on Sunday and United are too big at 6/4 with bet365 for the weekend clash.

Anthony Martial will be back for the Red Devils while the Blues will still be without Richarlison although Carlo Ancelotti is hopeful that James Rodriguez will be fit.

Proud

They badly missed the Colombian at St James' Park although he was poor at St Mary's in Everton's previous loss although the Saints have been outstanding in recent weeks.

Before that United travel to Istanbul this evening and their excellent two wins against PSG and RB Leipzig means they sit proudly on top of Group H.

The hosts are yet to find the back of the net in the Group stages having lost 2-0 in Germany and 2-0 at home to Paris last week and they, arguably, more than most teams will be-

moan the lack of home supporters.

I thought United played well enough – bar one notable exception – against a bloody good Arsenal team and they are only 4/9 with Unibet to get another valuable three points on the road to qualification

for the knockout stages next spring.

The recommendation is for United to win to nil which is priced at 6/4 with BetVictor.

Chelsea keeper Edouard Mendy is reacquainted with his former teammates when

Frank Lampard's side entertain Rennes this evening.

Chelsea have picked up four points from their opening two games while Rennes are still looking for their first win having lost 1-0 at Sevilla following a disappointing 1-1 draw at home to Krasnodar on Matchday 1.

Rennes have only won one of their last nine games in European competition (D2 L6) and they should be no match for the Blues who look to be hitting their straps in recent games. Chelsea have kept four successive clean sheets and Mendy will not want to concede against a team he left in September.

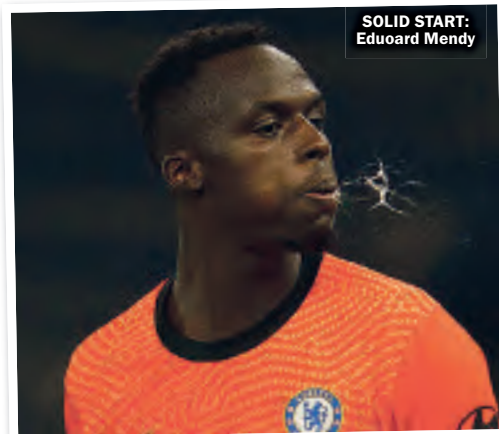

Impress

Lampard may make a few changes to his starting XI given the quality and depth of his squad, but he will want to make sure they pick up maximum points and they, too, are a best price of 4/11 with Unibet.

The Blues have the opportunity to go second in the Premier League, if only for 24 hours, when they entertain Sheffield United on Saturday and, with Liverpool and Manchester City failing to impress, this really could be a deep and prolonged battle for the title.

Rennes do not score many and Chelsea to win and under 2.5 goals is the recommendation at 11/4 with BoyleSports.

All the best, stay healthy and be lucky.

WILSON TOONS UP FOR SAINTS CHALLENGE

By ANDY MILLOM

CALLUM Wilson is urging his team-mates to keep their feet on the ground after beating Everton.

Newcastle saw off the then league leaders 2-0 at St James' Park at the weekend.

Now they face another high flying side in Southampton on Friday night with a chance to break into the top half of the table.

Wilson has hit the ground running since his move from Bournemouth and bagged his fifth and sixth strikes of the season against Everton.

He said: "It will give the boys a lift. Three points always shoots you up the league and 11 points now, it's something to build from."

"At the minute, there's a good togetherness about the group and results obviously help with that as well, so this week is going to be a good week."

"It's a shorter period until our next game, but we'll be professional, make sure we've got our heads screwed on and get ready for Southampton away."

Fuming

Wilson is already looking like a real bargain for the Toon who paid just £20m to the Cherries for the England international.

And boss Steve Bruce was pleased to see the striker fuming when he was brought off late on against the Toffees.

That scuppered his chances of a rare hat-trick and he made his feelings clear.

Bruce said: "He got upset that I took him off with five minutes to go. He's crucial to us. He's given us that cutting edge which a goalscorer has."

"To have six already matches, I think, our top scorer last year."

"You can imagine what

NINE NOT FINE: Joelinton

kind of lift he's given to everybody.

"I think that's his second or maybe third goal he's scored inside the six-yard box."

"He's there. I think that's the difference, the instinct. He wants to score a goal."

Wilson also thinks he is being helped by not having the famous No9 on his back.

That "honour" is with Joelinton and the two-goal man said: "It can add pressure to players who don't need it. I think Joe experienced that."

"It is quite a heavy number given the great careers some have had."

GO FOR AGUERO

City hitman back to take on Liverpool

SERGIO Aguero looks set to make his Man City comeback against Liverpool.

The Premier League's big two face off at the Etihad on Sunday in a game that can set down an early marker in the title race.

Victory for the Reds would put them six points

By JOHN ANTHONY

clear of their biggest rivals with less than a quarter of the campaign gone.

City have been misfiring without the Argie goal machine who has been out since being injured against West Ham last month.

Pep Guardiola's men have scored just one goal per game in their past four

top-flight outings which represents a drought by their standards.

The City boss is trying to play down talk of Aguero being back in time but he's fooling nobody and he'll be on the bench at worst.

Guardiola said: "He's getting better, but we don't know."

"We don't want him to take a step back again, but

he's getting better. It's not so dangerous, like when he felt something in the last game, the West Ham game.

"So he's getting better. I don't know about Liverpool, but after the international break, for sure he'll be ready."

"We're awaiting Sergio, but we've been happy with Ferran Torres, so we have an alternative."
